25X1 26. [ ] Met with Mr. James Gehrig, Senate Aeronautical and Space Sciences Committee, who requested our advice as to the appropriate individual or office to be contacted at Arnold Engineering, Tullahoma, Tennessee, for Committee briefing on R & D. After checking with OSI, I gave Mr. Gehrig the name of [ ]  
25X1 [ ] Mr. Gehrig was most appreciative and indicated he had  
25X1 forgotten [ ] name.

STAT 27. [ ] Met with Senator Claiborne Pell, and set the date of 26 January for lunch with the Director. It was made specific by the Senator and by myself that voting in the Senate or other demands on the Director could cause a last minute change. Senator Pell is most interested in coming out to meet with the Director and has been looking forward to it since my original invitation last fall. No topics of specific interest were mentioned. 25X1

25X1 29. [ ] Met with Representative Odin Langen, and continued our discussion of Friday concerning the [ ]  
25X1 Mr. Langen appreciates the fact that the Agency did not attempt to avoid recognition of the claims of this man concerning the handling of his application. Although disclaiming any desire to tell the Agency how to handle such matters, he did advise that it was his feeling that this case might warrant consideration of a somewhat more objective review and final close out letter to the "lad" than is normally afforded by Government agencies in such cases. Mr. Langen is a most courteous individual to work with. 25X1
